City of Agency

August 2026

The Agency Community Development Corporation (ACDC) is dedicated to making our community a great place to live, work & visit. Throughout the year, our volunteers help organize community events, support local improvement projects, and create opportunities that bring neighbors together. We are always looking for new members and fresh ideas! You don't have to commit to every meeting or event – even if you can only lend a hand with one event each year, we would love to have you join us. Every volunteer makes a difference, and we'd be excited to welcome you and share how you can help strengthen our community.

Agency Applause

Every month we'd like to recognize someone who helps make Agency a wonderful place to live. Whether it's a neighbor lending a hand, a volunteer giving their time, a local business supporting the community, or someone simply showing kindness, we believe these good deeds deserve to be celebrated.

Do you know someone who has made a difference? We'd love to hear about them! Submit a nomination to City Hall or online with the person's name and a brief description of what they've done. Each month we'll feature community members in our newsletter and thank them for helping make Agency an even better place to call home.

Kindness is contagious – let's celebrate the people who make our community shine.
