Agency Applause

This month's Agency Applause goes to **Marsha Hunter**, who truly represents what community is all about. Marsha generously volunteers her time with multiple local groups, but she is never too busy to sit down, share a cup of coffee, and tell a few stories about Agency's past. Most recently, Marsha led the Step It Up walking group on a tour around town, pointing out historic homes and sharing stories about community members who have passed on over the years. The tour ended at Marsha's home, where she welcomed everyone with a wonderful tour of her beautiful flowers and garden. We are grateful for the time, stories, history, and kindness Marsha shares with our community. Thank you, Marsha, for helping keep Agency's history and community spirit alive!

Do you know someone who has made a difference? We'd love to hear about them! Submit a nomination to City Hall or online.

Kindness is contagious – let's celebrate the people who make our community shine.

Meals will be available for dine-in, carry-out, or delivery within Agency

To arrange delivery, please contact the church at 641-937-5216 by Tuesday – Sept 8th

City Ordinance Review

Did you know that blowing or leaving grass clippings in the street is not only messy but it is also a safety and environmental problem?

City ordinance prohibits allowing grass clippings and other debris to accumulate in the roadway.

Grass clippings can make pavement slippery for vehicles, bicycles, motorcycles and pedestrians and it also will clog storm drains.

When mowing, please blow grass clippings back onto your lawn, not into the street. A few extra minutes of cleanup helps keep Agency's streets safer, cleaner, and looking their best!
